Pursuant to Commission Regulation 807 KAR 5:056, the Commission on June 11, 2001 established this case to review and evaluate the operation of the fuel adjustment clause ("FAC") of Fleming-Mason Energy Cooperative ("Fleming-Mason") for the six months ended April 30, 2001.

As part of this review, the Commission ordered Fleming-Mason to submit certain information concerning its compliance with Commission Regulation 807 KAR 5:056. Fleming-Mason has complied with this Order. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that Fleming-Mason has properly calculated and applied its FAC charge.

IT IS THEREFORE ORDERED that the charges and credits applied by Flemingj-Mason through the FAC for the period November 1, 2000 through April 30, 2001 are approved.
